Set your Amazon Account to donate to the Williamsburg Community Action Group!

SMILE. Amazon will donate 0.05% (\$0.05 per \$100) of eligible purchases -- which is pretty much all of them, at no extra cost to you!

How to do it:

- In your browser address bar type: www.smile.amazon.com .
- Login to your existing Amazon Account, or create one if you do not already have one.
- In the black title bar, at 'Hello', select '**Your AmazonSmile**' from the dropdown list.
- Notice a box 'Pick your own charitable organization' or click 'Change charity'
- Type williamsburg community action in the box (upper/lower case does not matter) and click the 'Search' button.
- When a list is returned click 'Select' next to Williamsburg Community Action Group, LLC - AT THE WILLIAMSBURG WV LOCATION - (it should be first on the list).
- Click the box confirming "**Yes, I understand that I must always start at smile.amazon.com to support Williamsburg Community Action Group, Inc.**" and then click the 'Start Shopping' button.
- See how much you have donated by looking under 'Hello' and 'Your AmazonSmile'.

ALERT: Only purchases COMPLETED under www.Smile.Amazon.com will be credited toward your charity. It is a good habit (or bookmark) to Always start browsing or shopping at www.Smile.Amazon.com (it behaves exactly like www.Amazon.com). If you forget and build a cart at www.Amazon.com, no problem, those items will still be in your cart when you type www.Smile.Amazon.com in your address bar. THEN complete the purchase. Clicking an amazon item on a list from a Google search, for example, will always take you to a www.Amazon.com page - be aware to switch to www.Smile.Amazon.com before completing your purchases! Otherwise the donation WILL NOT be applied and cannot be reset afterwards (except by immediately canceling the order and then re-ordering under www.Smile.Amazon.com).
